ABOUT AMS MLINK

The AMS team understands that employees are an organization's most valuable asset. Using our mLink technology platform, we provide you with real-time, data-driven analytics to manage productivity, fitness-for-duty and regulatory compliance to help ensure organizational cost-efficiencies when managing:

- Pre-employment exams with custom determinations
- Nurse case management to reduce absenteeism/lost-work claims
- OSHA/NIOSH compliance surveillance maintenance programs
- Workforce health and wellness programs
- Annual and periodic exams and testing
- Drug & Alcohol Testing programs
